IMPORT AND EXPORT

.....
Moonshine RPF Trading LLC has a wide chain of suppliers from around the world providing us a vast array of agricultural products. The shipment of products is done through the fastest sea and air routes and in well secured and air conditioned containers. We are supplying fruit and vegetable products to the surrounding GCC countries.

WHOLE SALE DIVISION

In our main facility at Al Aweer Fruits and Vegetable Market, we are dealing with wholesale selling and distribution of all kind of fruits and vegetable products. We have in-house spot selling and outdoor distribution capacity to reach every corner of UAE market.

TRANSPORTATION

We use temperature controlled transports from the source of shipment till our products reach to our customers. Products are moved around for delivery strictly in refrigerated trucks. We have dedicated loading and unloading bay at our storage facility to fasten the process.

STORAGE

We have modern state of the art cold storage facilities to preserve the fresh fruit and vegetables. We exert a lot of care to avoid damages during handling and over-freezing of the products. We treat the products with shorter shelf-life with special care to bring them to you sparing a reasonable life for them in your store.
